Footnotes:

^{1/} The period covered by any statement begins on the day after the closing date of the last statement filed, or January 1, if no previous statement has been filed.

^{2/} A committee that makes a payment or promise of payment of \$50,000 or more during the period March 31 through May 14 for a communication that clearly identifies a state candidate being voted on May 15, 2007, and during the period May 26 through July 9 for a communication that clearly identifies a state candidate being voted on July 10, 2007, but does not expressly advocate the election or defeat of the candidate, must file Form E530 electronically with the Secretary of State. The report must be filed within 48

hours of making or promising to make the payment. No paper copy is required and no copies are required to be filed with local filing officers.

^{3/} Committees required to file electronically (see footnote 5) must file this report if an independent expenditure of \$1,000 or more is made during the period February 14 through May 15 in connection with a state candidate being voted on May 15, 2007, and during the period April 11 through July 10 in connection with a state candidate being voted on July 10, 2007. No paper copy is required and no copies are required to be filed with local filing officers, including during the late period.

^{4/} A supplemental pre-election statement (Form 495) is required if a committee has made contributions of \$10,000 or more during the period to support or oppose a state candidate in the May 15 or July 10 election. A Form 495 is not required to be filed on June 28 if all the contributions have been previously disclosed. In addition, a Form 495 is not required if the activity has been disclosed on an odd-year report due April 30.

^{5/} In addition to paper reports, a committee must file electronically with the Secretary of State if, since January 1, 2000, the committee receives contributions or makes expenditures totaling \$50,000 or more. For more information, visit the Secretary of State's website at www.ss.ca.gov.

^{6/} "Late contributions" include contributions made to a state or county central committee during the 16-day period prior to any state election.

Additional Notes:

- Committees are also subject to supplemental independent expenditure reports if the committee makes independent expenditures of \$1,000 or more in connection with a candidate listed on the ballot. Depending upon when an independent expenditure of \$1,000 or more is made, a statement will be due on April 5, May 3, June 28 or July 31.
- Except for deadlines that fall on a Saturday, Sunday, or an official state holiday, there is no provision in the law for extending a filing deadline. Deadlines for late contribution and late independent expenditure reports may not be extended. Late statements are subject to a \$10 per day late fine.
- All statements are public documents.
